Multi-Agency Audits 2023/24

During 2023/24, the SSCP will be conducting audits on Neglect, Voice of the Child, Supervision and All-Age Exploitation. The findings of these audits will be uploaded throughout the year.

As a reminder to professionals working in Solihull, the learning from Multi-Agency Audits and Independent Scrutiny can be found on the SSCP website. As our audit schedule for 23/24 is coming to an end, we will soon be in a position to share the findings from our most recent audits (Supervision and All Age Exploitation) as well as our overall learning from audits for 23/24 and how we have responded to that learning. You can access the webpage [here](#).

Information on Prevent

The number of Prevent referrals in Solihull are low and therefore it is important that our workforce understand what Prevent is and how to make a referral. Information on Prevent is now available on the Solihull Council website [here](#). This page includes an introduction to Prevent, information on Prevent duty training and links to procedures which includes information on Channel Panel and the Prevent referral form.
